

BACHELOR OF APPLIED SOCIAL SCIENCE (MAJORING IN PSYCHOLOGY AND COUNSELLING)

- Build an understanding of the individual within a sociocultural context.
- Gain practical experience in real-world settings.
- Position yourself for admission to postgraduate studies.

This comprehensive qualification, with dual majors in psychology and counselling, is designed to develop foundational knowledge in psychology and counselling to help understand how people function in diverse contexts. It further aims to develop academic literacy, critical thinking skills and problem-solving skills. You will gain skills in academic scholarship, practical real-world experience in counselling-related and interpersonal communication skills. You will also be well-positioned for admission to a Bachelor's Honours degree or other postgraduate studies in psychology, the social sciences, and related fields.
